

Multi-Residential Solid Waste Collection during a Labour Disruption

Multi-Residential collection point addresses listed below will have either Garbage Collection, Recycling Collection or BOTH provided during the labour disruption as indicated in the Continued Collection Type column.

Multi-Residential addresses not found in the list below will NOT have any City provided Solid Waste Collection services during the labour disruption.

Affected residents have the option of dropping off their waste for free at either an official temporary garbage drop-off site or City transfer station. Please double bag your waste using regular garbage bags.
